Every Little Thing She Does Is Magic

The Police; Sting

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve as I've done from the start
Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
Do I have to tell a story
Of a thousand rainy days since we first met?
It's a big enough umbrella
But it's always me that ends up gettin' wet
Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
I resolve to call her up a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me long before I reach the phone
Long before my tongue has tricked me must I always be alone
Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing she does
Every little thing
Every little thing
Every little thing
Every little thing
Every little thing
