

Hang Me Up To Dry (Ingo Star Cruiser)

Cold War Kids

Careless in our summer clothes splashing around
In the muck and the mire
Careless in our summer clothes splashing around
In the muck and the mireFell asleep with stains
 Cake deep in the knees
What a painNow hang me up to dry
 You wrung me out
 Too, too, too many times
 Now hang me up to dry
 I'm pearly like the whites
The whites of your eyesAll mixed up in the wash
 Hot water bleeding our colors
 All mixed up in the wash
Hot water bleeding our colorsNow hang me up to dry
 You wrung me out
 Too, too, too many times
 Now hang me up to dry
 I'm pearly like the whites
The whites of your eyesNow hang me up to dry
 You wrung me out
 Too, too, too many times
 Now hang me up to dry
 I'm pearly like the whites
The whites of your eyesNow hang me up to dry
 You wrung me out
 Too, too, too many times
 Now hang me up to dry
 I'm pearly like the whites
 The whites of your eyes
