

# Teachers

## Record Club

Imperial, righteous respects  
'Cause we ain't done yet  
    Lock it down  
And overthrow all the pilots  
    And get out of town  
    Can you see them smiling  
Blisters, these bones are breaking  
Whispers are louder than screaming  
    And we suffer this moment  
    Until the day is coming  
    That we'll reign forever  
    Training day  
'Cause I man is coming and we are the teachers  
    Training day  
We been through the fire, 'cause we're pioneers  
    Training day  
The soul of the lion, Jah love for the bleeding  
    Training day  
Warrior soldiers, we still believe you  
    Crawling through poison I lay  
    My soul still flies with broken wings  
And the sun is blinding, I can't stop staring  
    I don't wanna close my eyes  
    Righteous respects  
    And it's the best kept secret  
    And I can let go of my burdens  
    That keep me from living  
    So I can start dying  
    Training day  
'Cause I man is coming and we are the teachers  
    Training day  
We been through the fire, 'cause we're pioneers  
    Training day  
The soul of the lion, Jah, love for the bleeding  
    Training day  
Warrior soldiers, we still believe you  
    Warriors  
    Jah love for the bleeding  
    Jah soldiers

We still believe you  
Crawling through poison I lay  
My soul still flies with broken wings  
And the sun is blinding, I can't stop staring  
I don't wanna close my eyes  
Training day  
'Cause I man is coming and we are the teachers  
Training day  
We been through the fire, 'cause we're the pioneers  
Training day  
The soul of the lion, Jah, love for the bleeding  
Training day  
Warrior soldiers, we still believe you  
'Cause I man is coming and we are the teachers  
'Cause I man is coming and we are the teachers  
'Cause I man is coming and we are the teachers
