Janie Is a Nazi

Sloppy Seconds

Well, I think that I'm through with the girl I thought I knew
But I guess, I didn't know her well at all
'Cause I'm getting sick of Janie's latest kick
She's headed for her own decline and fallJanie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of controlI used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl)Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)
And I don't think I can take it anymoreWell, she still looks cute when she wears her leather boots
But now she wants to put them through your skull
And I miss the way things were 'cause I ain't bangin' her
I'm just bangin' my head against the wallJanie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of controlI used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl)Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)
And I don't think I can take it anymoreWell, she still looks cute when she wears her leather boots
But now she wants to put them through your skull
And I miss the way things were 'cause I ain't bangin' her
I'm just bangin' my head against the wallJanie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of controlI used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl)Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)

And I don't think I can take it anymore, no
