

Janie Is a Nazi

Sloppy Seconds

Well, I think that I'm through with the girl I thought I knew
But I guess, I didn't know her well at all
'Cause I'm getting sick of Janie's latest kick
She's headed for her own decline and fall
Janie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of control
I used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl) Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)
And I don't think I can take it anymore
Well, she still looks cute when she wears her leather boots
But now she wants to put them through your skull
And I miss the way things were 'cause I ain't bangin' her
I'm just bangin' my head against the wall
Janie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of control
I used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl) Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)
And I don't think I can take it anymore
Well, she still looks cute when she wears her leather boots
But now she wants to put them through your skull
And I miss the way things were 'cause I ain't bangin' her
I'm just bangin' my head against the wall
Janie took a razor blade and cut off all her hair
Had swastikas and iron crosses tattooed everywhere
And she can't concentrate on anything but hate
And she's out of control
I used to think I loved that girl
But now I just don't know
'Cause she's a Nazi, Nazi
(Nazi girl) Janie is a Nazi, Nazi
(Nazi girl)
Janie is a Nazi, Nazi
(Nazi girl)

And I don't think I can take it anymore, no
