

Soul Be Free

Sick of It All

Walls start closing in around you
My twins of evil
They shake you by the collarbone
Then snap you by the ribcage And broken bodies in a death rock dance hall
Please be my partner
Eyeballs pop, accelerated blood beat
Veins a-shaking And all hell breaks loose
Yeah, evil is as evil does and who
Yeah, who but me could write this book of cruel I send my murdergram
To all these monster kids
It comes right back to me
And it's signed in their parent's blood And all hell breaks loose
Yeah, my heart is a-breaking loose
Yeah, my whole world's breaking loose
Yeah, and evil is as evil does and who
Yeah, but who but me could write this book of cruel I send my murdergram
To all these monster kids
It comes right back to me
And it's signed in their parents' blood
And broken bodies in a death rock dance hall
Please be my partner
And eyeballs pop, accelerated blood beat
Veins a-shaking And all hell breaks loose
Yea, my heart is breaking loose
Yea, my whole world's breaking loose
Yea, evil is as evil does and who
Yea, but who but me could write this book of cruel I said my whole world's breaking loose
Yeah, my whole world's breaking loose
Yeah, my whole world's breaking loose
Yeah, my whole world's breaking
All hell breaks loose
