Witches Song

Juliana Hatfield

Shall I see tonight, sister
Bathed in magic grease
Shall we meet on the hilltop
Where the two roads meetWe will form the circle
Hold our hands and chant
Let the great one know
What it is we wantDanger is great joy
Dark is bright as fire
Happy is our family
Lonely is the wardSister, we are waiting
Come to meet and chant
Fly fast through the airwaves
Meet with pride and truthDanger is great joy
Dark is bright as fire
Happy is our family
Lonely is the wardFather, we are waiting
For you to appear
Do you feel the panic
Can you see the fear?Mother, we are waiting
For you to give consent
If there's to be a marriage
We need contemptDanger is great joy
Dark is bright as fire
Happy is our family
Lonely is the ward
