Lover Man

James Otto

Aw
YeahI know you got somebody
Who thinks you're home tonight
You're lookin' for a good time
Girl, I'll do you rightForget your other man
I wanna be your Lover ManNow don't go feelin' guilty
How could this be wrong?
Girl, you may not know it
But you're right where you belongDon't you understand?
I wanna be your Lover ManI'll give you what you ain't been given
The love you've gone without way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strongGirl, give me your hand
I wanna be your Lover Man
Oh, let's danceI'll give you what you ain't been given
The love you've gone without for way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strongGirl, give me your hand
I wanna be your Lover Man
Forget your other man
I wanna be your Lover ManOh yes, I do
You know you want that too
Ooh, hoo, ooh
