

# Lover Man

James Otto

Aw

Yeah I know you got somebody  
Who thinks you're home tonight  
You're lookin' for a good time  
Girl, I'll do you right Forget your other man  
I wanna be your Lover Man Now don't go feelin' guilty  
How could this be wrong?  
Girl, you may not know it  
But you're right where you belong Don't you understand?  
I wanna be your Lover Man I'll give you what you ain't been given  
The love you've gone without way too long  
Let's not waste another minute  
Before the night is gone let's do and say we didn't  
'Cause this feeling's way too strong Girl, give me your hand  
I wanna be your Lover Man  
Oh, let's dance I'll give you what you ain't been given  
The love you've gone without for way too long  
Let's not waste another minute  
Before the night is gone let's do and say we didn't  
'Cause this feeling's way too strong Girl, give me your hand  
I wanna be your Lover Man  
Forget your other man  
I wanna be your Lover Man Oh yes, I do  
You know you want that too  
Ooh, hoo, ooh
