## **Every Kinda People**

## **Robert Palmer**

Said the fight to make ends meet Keeps a man upon his feet Holding down his job Trying to show he can't be boughtIt takes every kinda people To make what life's about, yeah Every kinda people To make the world go 'roundSomeone's looking for a lead In his duty to a king or to a creed Protecting what he feels is right Fights against wrong with his lifeThere's no profit in deceit Honest men know that revenge does not taste sweet Whether yellow, black or white Each and every man's the same insideIt takes every kinda people To make what life's about, yeah It takes every kinda people To make the world go 'roundDo do do, do do do, oh Never knew, no no no no no You know that love's the only goal That could bring a peace to any soul Hey and every man's the same He wants the sunshine in his nameIt takes every kinda people To make what life's about, yeah It takes every kinda people To make the world go 'roundEvery kinda people To make what life's about It takes every kinda people
