

How to Feel

Moxie Raia

[Verse 1]

See these tattered clothes
See these streets we used to roam
Pass the happy home
Remembering the girl I used to know
See these flowers once in bloom
And now laid in the darkness
You were beautiful as his tool
While he lured in his target
Oh ooh ooh ooh ooh
Ooh ooh ooh ooh[Chorus]
Now I'm walking here on my own
Remembering how we used to talk
I set everything you said in stone
And that's why everything I know was lost
I used to feel til it hurt to laugh
I found ecstasy in a tear
But now I don't know, I don't know
I don't know how to feel
I don't know how to feel
No, I don't know how to feel, no

[Verse 2]

There he took my hand
And he looked me in the eye
He said baby girl, tell me will you love me til you die
Then he laid me down, his imperial goddess
And I wore his crown, left everything I started
Oh ooh ooh ooh ooh[Chorus]
Now I'm walking here on my own
Remembered how we used to talk
I set everything you said in stone
And that's why everything I knew was lost
I used to feel til it hurt to laugh
I found ecstasy in a tear
But now I don't know, I don't know
I don't know how to feel
I don't know how to feel
I don't know how to feel[Bridge]
Kiss you with fake passion

Look in your eyes through opaque glasses
Touch you with the velvet glove
Tell you all I need is love
Kiss you with fake passion
Look in your eyes through opaque glasses
Touch you with the velvet glove
Tell you all I need is love
