

The One

Kylie Minogue

Starlight shimmers everywhere
Theres a certain something in the air
Can you feel what I feel in me?
Its in the air, electricity, ohGlimmering under neon lights
I can see the look thats in your eyes
Its like a shooting star in a galaxy
Making its way to the heart of meIm the one
Love me, love me, love me, love me
Im the one
Love me, love me, love me, love meIm the one
Love me, love me, love me, love me
Im the one
Love me, love me, love me, love meMy pulse is racing and Im feeling high
Never ending starts tonight
When you do what you do to me
Come on and let yourself feel the need in me, ohCircling and were getting close
Can you imagine? Just suppose
Its a feeling that I need to know
Close to touch like MichelangeloIm the one
Love me, love me, love me, love me
Im the one
Love me, love me, love me, love meIm the one
Love me, love me, love me, love me
Im the one
Love me, love me, love me, love meCan you hear me? Im connecting with you
Can you feel me? Ill do anything
To have you near me, I was wondering
Will you reach me?Can you hear me? Im connecting with you
Can you feel me? Ill do anything
To have you near me, I was wondering
Will you reach me?(Im the one)
Can you hear me? Im connecting with you
Can you feel me? Ill do anything
To have you near me, I was wondering
Will you reach me?(Im the one)
Can you hear me? Im connecting with you
Can you feel me? Ill do anything
To have you near me, I was wondering
Will you reach me?
