## Thundercat

I feel weird  
Comb your beard, brush your teeth  
Still feel weird  
Beat your meat, go to sleepOoh, ooh, ooh, ooh  
I think I left my wallet at the club  
Yeah, yeah, yeah, yeah  
Ooh, ooh, ooh  
Jesus, take the wheel  
I feel weird  
Comb your beard, brush your teeth  
Still feel weird  
Beat your meat, go to sleepOoh, ooh, ooh, ooh  
I think I left my wallet at the club  
Yeah, yeah, yeah, yeah  
Ooh, ooh, ooh  
Jesus, take the wheel  
I feel weird  
Comb your beard, brush your teeth  
Still feel weird  
Beat your meat, go to sleepI think I left my wallet at the club
