When Are You Coming Back?

Lisa Stansfield

Tell me when you're coming back
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?You were in my arms yesterday
And now you're gone
I still feel your lips on mine
Still feel your touchSafe inside your arms is where I want to be
I can't stand this space
Boy, I'm gettin' lonely
And out of placeDon't stray for too long
Go back to my arms
Don't stray for too long
Go back to my armsWhen are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?I sit here and wait patiently for the telephone
Funny how I miss you
And I miss you so
When you're not at homeDon't stray for too long
Go back to my arms
Don't stray for too long
Go back to my armsWhen are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?Tell me when you're comin' back
When are you comin' home?
When are you gonna pick up the telephone?Don't stray for too long
Go back to my arms
Don't stray for too long
Go back to my armsWhen are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?

When are you comin' back, when are you comin' back?When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
When are you comin' back, when are you comin' back?
