

# Cornflake Girl

## Domy Fidanza

Never was a cornflake girl  
Thought that was a good solutionHangin' with the raisin girls  
She's gone to the other side  
Givin' us a yo heave ho  
Things are gettin' kind of gross  
And I go at sleepy timeThis is not really, this a this a  
This is not really happenin'  
You bet your life it is, you bet your life it is  
Aha, you bet your lifeIt's a peel out the watchword  
Just peel out the watchwordShe knows what's goin' on  
Seems we got a cheaper feel now  
All the sweeteaze are gone  
Gone to the other side with my encyclopedia  
They must've paid her a nice price  
She's puttin' on her string bean loveThis is not really, this a this a  
This is not really happenin'  
You bet your life it is, you bet your life it is  
Aha, you bet your lifeIt's a peel out the watchword  
Just peel out the watchwordIt never was a cornflake girl  
Thought that was a good solutionAnd rabbit, where'd you put the keys, girl?  
Rabbit, where'd you put the keys, girl?  
Rabbit, where'd you put the keys?  
Rabbit, where'd you put the keys?  
Where'd you put the keys, girl?And the man with the golden gun  
Thinks he knows so much  
Thinks he knows so much, yeah  
And the man with the golden gun  
Thinks he knows so much  
Thinks he knows so much, yeahAnd the man with the golden gun  
Thinks he knows so much  
Thinks he knows so much, yeah  
And the man with the golden gun  
Thinks he knows so much  
Thinks he knows so much, yeahRabbit, where'd you put the keys, girl?  
Ask rabbit, where'd you put the keys, girl?  
Rabbit, where'd you put the keys?  
Rabbit, where'd you put the keys, girl?
