Bow Wow Wow

Sir Jungle, Sir Jungle

Jungle boy don't fear
Jungle boy come near Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy Jungle boy I view
Jungle boy come through In the jungle, I love to rumble
He's the fat guy, he's the bad guy
When the city turns to rubble Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy Sir Jungle, Sir Jungle

See your lover going crazy Sir Jungle, Sir Jungle
Go join your gang, yeah
See your lover going crazy Sir Jungle, Sir Jungle
