Sonic Youth

You keep me coming home again
You keep me coming home again When you were gone, I met a friend
She taught me how to live in the end You keep me coming home again
You keep me coming home again Are her eyes brown or blue?
How does she keep her steady cool
My heart and soul are wrapped up in her eyes
A little blink, yeah, I recognize
A little blink, yeah, that's my prize
A wild horse sitting right there by your side
Hard to ignore, hard to disguise
Will she ever realize? You keep me coming home again
You keep me coming home again When you were gone I was out of my mind
I had a friend who laughed all the time
I had a friend who cried all the time
I had a friend who screamed all the time
I had a friend who lied all the time
