

Black Vultures

Halestorm

[Intro]

Black Vultures Circling Us [X4][Verse 1]

Feels like the end of the world

But it's only the beginning of it all

Forget the things that you leared

I been a survivor since I began to crawl[Pre-Chorus]

I've fallen down but I'm not out

The Devil's at my door

[Chorus]

I don't give in I don't give up

I won't ever let it break me

I'm on fire I'm a fighter

I'll forever be the last one standing

Black vultures circling the sky

Pick at the pieces

Scavengers waitin' for me to die

But I'm not defeated[Verse 2]

I'm on the edge of the war

I'm holding on and hanging by a thread

I am the eye of the storm

And you haven't seen the last of me just yet[Pre Chorus]

I've fallen down but I'm not out

I'm coming back for more

[Chorus]

I don't give in I don't give up

I won't ever let it break me

I'm on fire I'm a fighter

I'll forever be the last one standing

Black vultures circling the sky

Pick at the pieces

Scavengers waitin' for me to die

But I'm not defeatedI am still alive

I'm still alive[Chorus]

I don't give in I don't give up

I won't ever let it break me

I'm on fire I'm a fighter

I'll forever be the last one...

Black vultures circling the sky

Pick at the pieces

Scavengers waitin' for me to die
But I'm not defeated[Outro]
Black vultures circling the sky
You all waiting for me to die
Black vultures circling the...
Black vultures circling the...
Black vultures circling the...
Black Vultures circling the sky
