

# Tonight (live Comin' Mix)

## Xscape

Come a little bit closer and look into my eyes  
If only for a moment, boy don't be surprised  
I want you right here next to me  
So tell me, can we spend some time  
So I can hold you softly  
In these gentle arms of mine  
And the moonlight's gazing  
Shining on my window pane  
Beaming down on the midnight hour  
I hear the sound of rain  
Tonight, tonight, oh  
Tonight, tonight, oh  
So why don't you stay awhile  
I can't help it if you put me in a daze boy  
But you look so good to me, me  
In your satin PJs  
So let's make love by candlelight

And listen to the quiet storm  
As I kiss you in the places  
That make your body warm  
Tonight, tonight, oh  
Tonight, tonight, oh  
I'm holding you  
I'm holding you, holding you  
Holding you tight all through the night  
Holding you tight all through the night  
Looks like it's gonna rain  
Looks like it's gonna rain  
Looks like it's gonna rain  
Looks like it's gonna rain  
Holding you tight all through the night  
Holding you tight all through the night  
Tonight
