

La vie en rose

Louis Armstrong

Hold me close and hold me fast
The magic spell you cast
This is la vie en rose When you kiss me, heaven sighs
And though I close my eyes
I see la vie en rose When you press me to your heart
I'm in a world apart
A world where roses bloom And when you speak, angels, sing from above
Everyday words seem
To turn into love songs Give your heart and soul to me
And life will always be
La vie en rose Repeat*
