Again! (feat. Worship)

Benjamin Cone, III

Again, Again
He blessed me, Again
Over and over continuously
The Lord keeps right on
Keeps on blessing me
Again-A
Again

I don't deserve it
I don't deserve it
I don't deserve it
I don't deserve it
Over and over continuously
The Lord keeps right
Keeps on blessing me

Again, he blessed me
Woke me up this morning
Again, he blessed me
With my right mind
Again, he blessed me
Had a place to sleep
Again, he blessed me
Had some food to eat

Again-A
Again
Again
Again
