

# Spectrum

## Florence + the Machine

When we first came here  
We were cold and we were clear  
With no colors on our skin  
We were light and paper-thin

And when we first came here  
We were cold and we were clear  
With no colors on our skin  
'Till you let the spectrum in

[Repeat: x3]  
Say my name  
And every color illuminates  
We are shining  
And we will never be afraid again

And when we come for you  
We dressed up all in blue  
With the ocean in our arms  
Kissing eyes and kissing palms

When it's time to pray  
We dressed up all in gray  
With metal on our tongues  
And silver in our lungs

[Repeat: x3]  
Say my name  
And every color illuminates  
We are shining  
And we'll never be afraid again

And when we come back we'll be dressed in black  
And you'll scream our names aloud  
And we won't eat and we won't sleep  
We'll drag bodies from their graves

So say my name  
And every color illuminates  
And we are shining

And we'll never be afraid again  
Say my name  
As every color illuminates

[Repeat: x2]  
Say my name  
And every color illuminates  
We are shining  
And we'll never be afraid again

Say my name  
We are shining  
Say my name  
Say my name  
And we will never be afraid again
