

Take Me Away (Glenn Morrissons Contact mashup)

4 Strings

A shining light
Another day turns into night
Eternal fire
Waited all my life Take me away
A million miles away from here
Take me away
Find a place for you and me You're taking me higher
High as I could be
You take me away
Forever you and me
Take me away The tears I cried
Kept them all inside
I needed time
To make up my mind Take me away
Million miles away from here
Take me away
Find a place for you and me You're taking me higher
High as I could be
You take me away
Forever you and me
Take me away Take me away
A million miles away from here
Take me away
Find a place for you and me You're taking me higher
High as I could be
You take me away
Forever you and me
Take me away
