

# Beside You

Van Morrison

Little Jimmy's gone  
Way out of the backstreet  
Out of the window  
Through the fallin' rain  
Right on time  
Right on time  
That's why Broken Arrow  
Waved his finger down the road so dark and narrow  
In the evenin'  
Just before the Sunday six-bells chime, six-bells chime  
And all the dogs are barkin'  
Way on down the diamond-studded highway where you wander  
And you roam from your retreat and view  
Way over on the railroad  
Tomorrow all the tippin' trucks will unload  
Every scrapbook stuck will glue  
And I'll stand beside you  
Beside you child  
To never never never wonder why at all  
No no no no no no no no  
To never never wonder why at all  
To never never never wonder why it's gotta be  
It has to be  
Way across the country where the hillside mountain glide  
The dynamo of your smile caressed the barefoot virgin child to wander  
Past your window with a lantern lit  
You held it in the doorway and you cast against the pointed island breeze  
Said your time was open, go well on your merry way  
Past the brazen footsteps of the silence easy  
You breathe in you breathe out you breathe in you breathe out you breath in  
You breathe out you breathe in you breathe out  
And you're high on your high-flyin' cloud  
Wrapped up in your magic shroud as ecstasy surrounds you  
This time it's found you  
You turn around you turn around you turn around you turn around  
And I'm beside you  
Beside you  
Oh darlin'  
To never never wonder why at all

No no no no no  
To never never never wonder why at all  
To never never never wonder why it's gotta be  
It has to be  
And I'm beside you  
Beside you  
Oh child  
To never never wonder why at all  
I'm beside you  
Beside you  
Beside you  
Beside you  
Oh child
