

# Into The Wind

## Miten with Deva Premal

If you wanna make it, you've gotta give'em all  
Lay it all on the line  
You wonder why good things never come easy  
Don't stop for anything  
Don't give up, keep the fire, keep the faith  
You life is in your hands  
Don't you think that it's time you take a chance  
'Cause you're gonna have to face it  
Start you up, down the road you go  
Hang on to your dreams, yeah  
Crusin' down to the paradise  
Turn the car into the wind, yeah  
You've got to fight to keep sight of your dreams  
Keep your hands on the wheel  
Don't give in, you have the strength to get over  
You better stand up

There's a light still shining on you  
Fair wind is blowin' to your way  
Start you up, down the road you go  
Hang on to your dreams, yeah  
Crusin' down to the paradise  
Turn the car into the wind, yeah  
Into the wind  
You're much too serious  
Let's steal away, blow your mind  
That's an easy thing to say  
You must take a step  
Start you up, down the road you go  
Hang on to your dreams, yeah  
Crusin' down to the paradise  
Turn the car into the wind, yeah  
Crusin' down to the paradise  
Turn the car into the wind, yeah
