I've Been to Hell

Iron Savior

[The almost perfect extinction of the human race during the savior-war has pushed the bio-unit to the edge. In deep depression, driven away from home and in the soli-tude of deep space this poor soul has seen Hell...]I saw my children from up in the sky
Bleeding and sentenced to die
Devastation and Termination
I've been your angel of death
Watching unmoved
I've been awaiting your final breathChildren forgive me
For I've been so wrong
Fate took revenge
On all I have doneI've been to Hell
I've seen the fires burning
Oh, I saw Hell
Demons I heard you calling
So many years I've been out there alone
Broken and scared to the bone
Out in the dark
Sorrow and grief possessed my heartOut of control
In this deadly machine
Innocent victims
Are haunting my dreamsI've been to Hell...Rage
Agony
Endless pain
I'll never be the same[Solo by Piet]Castaway
Today
Light years away from home
Blood on my hands
I must redeem
I will repentNo more repoungance between the machine
And my tortured mind
Together we're strong - now we are one
One of a kindI've been to Hell...To Hell I have been to pay for my sin
But no more I'll burn - I shall returnDemons of darkness
You've been calling me
But I'm clear in my mind now
And I'm on my way and I am free
