

Unconditional Love

Sam Cohen

Will I always feel this way?
Is this gonna last forever?
Will I always feel this way?
Is this gonna last forever? Is this what they call unconditional love (love)?
Did I always feel his way?
And did I teach myself to love you?
Did I always feel his way?
And did I teach myself to love you?
(Ooohhh...) When you stand beside me, it feels like there's a door
(Oooohh...) Shivering the feeling you don't love me anymore
