The Fallen

Franz Ferdinand

So they say, you're a troubled boy
Just because you like to destroy
All the things that bring the idiots joy
Well, what's wrong with a little destruction
And the Kunst won't talk to you
Because you kissed, St. Rollox Adieu
Because you robbed a supermarket or two
Well, who gives a damn about the profits of Tesco
Did I see you in a Limousine
Flinging out the fish and the unleavened
Turn the rich into wine an' you walk on the mean
Well, the fallen are the virtuous among us
Walk among us, never judge us, yeah we're all
Up now and get 'em, boy, up now and get 'em, boy
Drink to the devil, death to the doctors
Did I see you in a Limousine
Flinging out the fish and the unleavened
Well, five thousand users fed today
Oh, as you feed us won't you lead us, to be blessed
So we stole and drank champagne
On the seventh seal you said, you'll never feel pain
An' I never feel pain, won't you hit me again
I need a bit of black and blue, to be a rotation
In my blood I felt the bubbles burst
There was a flash of fist, an eyebrow burst
You've a lazy laugh and a red white shirt
I fall to the floor, fainting at the sight of blood
Did I see you in a limousine
Flinging out the fish and the unleavened
You turn the rich into wine, walk on the mean
Be they modeling a virgin, you've already been
You've already been, already seen
That the fallen are the virtuous among us
Walk among us, never judge us, to be blessed
La, la, la
So, I'm sorry, if I ever resisted
I never had a doubt, you ever existed
I only have a problem when people insist on
Taking their hate and placing it on your name

So they say, you're a troubled boy
Just because you like to destroy
You are the word, the word is 'Destroy'
I break this bottle, think of you fondly
Did I see you in a limousine
Flinging out the fish and the unleavened
To the whore in a hostel or the scum of a scheme
Turn the rich into wine, walk on the mean
It's not a jag in the arm, it's a nail in the beam
On the barren earth you scatter your seed
Be they modeling a virgin, you've already been
You've already been an' we've already seen
That the fallen
You've already been an' we've already seen
That the fallen are the virtuous among us
Walk among us, if you judge us, we're all damned
