

# Party Doll

Paul Rich

You used to be my party doll  
But now you say the party's over  
You used to love to honky tonk  
But now the honky tonking's over  
Now life is a bitter thing, my sweet  
Now life is a mystery to me  
Love's pain, I ain't buying  
Love's strange. I keep trying, trying, trying  
You used to be my party doll  
But now you want to live in clover  
You used to be my number one  
But now those salad days are over  
Times change but the fascination stays  
Love wins but the passion just fades  
I'll drink to the dancing days  
I'll drink to your crazy ways  
Through the whiskey haze  
Face the music, face the truth  
Chase that fleet sweet bird of youth  
Grow up sweetly, grow up strong  
Hear the heartbeat, in my song  
Love's pain, I ain't buying  
Love's strange. I keep trying, trying, trying  
You used to be my party doll  
But now you say the party's over  
You used to love to honky tonk  
But now those dancing days are over  
You used to be my number one  
But now you vanished in the ozone
