

# Times Like These (Live In Santa Barbara, CA)

**Jack Johnson**

In times like these  
And times like those  
What will be will be  
And so it goes And it always goes  
On and on and on and on and on  
On and on and on and on and on it goes And there's always been laughing, crying, birth, and dying  
Boys and girls with hearts that take and give and break  
And heal and grow and recreate and raise and nurture  
But then hurt from time to times like these  
And times like those  
What will be will be  
And so it goes And there will always be stop and go and fast and slow  
Action, reaction, sticks and stones and broken bones  
Those for peace and those for war  
And God bless these ones not those ones  
But these ones made times like these  
And times like those  
What will be will be  
And so it goes  
And it always goes on and on  
On and on and on and on and on on and on and on it goes
