

# One Life, One Soul

Gotthard

I've been waitin' all my life  
For the sun to make it mine  
Callin', callin', whispering your name  
Right now you're on my trail Fallin', fallin', wishing you near  
But somehow you slipped away  
Like ice in the sun  
Already gone One life, one soul, forever I know  
Follow me, follow me wherever I go  
One life, one soul just waiting to flow  
Follow me, follow me, don't let me go I've been dreaming for too long  
Chasing rainbows on my own  
Screamin', screamin'  
You are the wind in my sail  
In an ocean so wide And over good times, bad times  
I'll be your own guiding light  
Holding your hand, eyes open wide  
And always beside One life, one soul, forever I know  
Follow me, follow me wherever I go  
One life, one soul just waiting to flow  
Follow me, follow me, don't let me go One life, one soul, forever I know  
Follow me, follow me wherever I go  
One life, one soul just waiting to flow  
Follow me, follow me, don't let me go Follow me
