

# Saving Grace

**JT Spangler**

Its 3 in the morning, were still on the phone  
Why can't I say what's on my mind?  
You know that he is not the guy for you  
I'd never treat you so unkind You were standing in the rain  
Scared about the runaway, I could be the sun on your face  
Think you gotta settle for someone who puts up with you  
I could be your Saving Grace, I could be the sun on your face  
I could be your Saving Grace Its 6 in the morning, were still on the phone  
Why can't I say what's on my mind?  
Give me a chance to be the one you need  
But take my hand, baby, and be mine  
Mmmmm You were standing in the rain  
Scared about the runaway, I could be the sun on your face  
Think you gotta settle for someone who puts up with you  
I could be your Saving Grace, I could be the sun on your face  
I could be your Saving Grace So let me save you from yourself  
You know I only wish you well  
So let me save you from yourself You were standing in the rain  
Scared about the runaway, I could be the sun on your face  
Think you gotta settle for someone who puts up with you  
I could be your Saving Grace  
I could be your Saving Grace  
Your Saving Grace  
Oh, won't you let me be your Saving Grace  
I could be your Saving Grace  
I could be your Saving Grace  
I could be your Saving Grace
