David Bowie

I was Ramona A. Stone I started with no enemies of my own In a tunnel I was an artiste And I've been dreaming in a sleep But I've been having a mid-life crisis And ape men with metal parts I've spat upon deeply felt age And I hate the funny colored english We'll creep together you and I I've hid my hearts in For I know who the small friends are I am with name, I am with name I am Ramona A Stone A night fear female Good timing drone I am with name, I am with name I am with name, I am with name It'll end in chrome I am Ramona A Stone She should say: twitch & stream good time drone Night of the female I am with name I am Ramona A Stone She should say: I am with name I am Ramona A Stone A millenium fetish A person who loses a name Feels anxiety descending I am Ramona A Stone Left at the crossroads, between the centuries I am with name, I am with name I am with name Night fear female I am with name Good timing drone I am Ramona A Stone I am Ramona A Stone (Give it to me one more time!) 7 Anxiety descending Anxiety descending
