How did it start?
Well, I don't know
I just feel the craving
I see the flesh and it smells fresh
And it's just there for the taking
These little girls they make me feel
So goddamn exhilarated
I fill them up, I can't give it up
The pain that I'm just erasing

I tell my lies and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you?

Your feelings I can't help but break them
I'm sorry I don't feel the same
My heart inside is constantly hating
I'm sorry I just throw you away

I don't know why I'm so fucking cold
I don't know why it hurts me
All I want to do is get with you
And make the pain go away
Why do I have a conscience
All it does is fuck with me
Why do I have this torment
All I want to do is fuck it away

I tell my lies and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you?

Your feelings I can't help but break them
I'm sorry I don't feel the same
My heart inside is constantly hating
I'm sorry I just throw you away.
