How did it start?
Well, I don?t know
I just feel the craving
I see the flesh and it smells fresh
And it?s just there for the taking
These little girls they make me feel
So goddamn exhilarated
I fill them up, I can?t give it up
The pain that I?m just erasing

I tell my lies and I despise Every second I?m with you So I run away and you still stay So what the fuck is with you?

Your feelings I can?t help but break them I?m sorry I don?t feel the same
My heart inside is constantly hating
I?m sorry I just throw you away

I don?t know why I?m so fucking cold
I don?t know why it hurts me
All I want to do is get with you
And make the pain go away
Why do I have a conscience
All it does is fuck with me
Why do I have this torment
All I want to do is fuck it away

I tell my lies and I despise Every second I?m with you So I run away and you still stay So what the fuck is with you?

Your feelings I can?t help but break them I?m sorry I don?t feel the same
My heart inside is constantly hating
I?m sorry I just throw you away.
