Lighters Up (feat. Mavado & Popcaan)

Snoop Lion

Advisory - the following lyrics contain explicit language:

Put your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unify
Come on and ride with usPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unifiedWe're keep a peace dance pon the scene
East Side and the West Side come in
Yard man in a de place you know we ever clean
High Grade flow through we blood stream
The youths them out, the girls them out, we love the chemistry
We making money fuck the guns we no want no enemy
Come make we do this till a morning until it touch dawning
Link up with me, all enemiesPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unify
Come on and ride with usPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unifiedAy, ain't no dividing us we choose the destiny
And we don't need no negative to get the best of me yeah
Love and unity alone can get to me or if a girl need me
So if you know a lot of love we spray put your light up
Feel a better day if you try and get your right to love
Ghetto youths stop the war make no shots no buss
Pack your bag don't make them boss it up, yeahPut your lighters up

Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unify
Come on and ride with usPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unifiedHey, together make the cheddar
Show love to one another
Every man fi live thy brother
Unity is the strength fit we make it better
Help your brother up the ladder
Loving every country
Snoop Dogg and Popcaan
Them done get the vision
So we all can live in a one fun division
Go spread the news pon the television
Put up yo lighter and wave your hands, soPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unify
Come on and ride with usPut your lighters up
Get high with me, fly with me
Ain't no dividing us
East Side, West Side
North Side, South Side unified
