

I Am a Full Grown Man (I Will Lay in the Grass All

Phosphorescent

I can fly through these hallways
Dressed in light though it always
 It always gets cold
I can sing through my fingers
Though the worth of a singer
 Is nothing I'm told

I am a full grown man
I will lay lay lay
 In the grass
 In the grass
 All day

I can freeze in the place that
Gets me free from this taste that
 I have in my heart
We can curl in the waters
Naked swirling like otters
(you know how they are)

I am a full grown man
I will be calm calm calm
 In the grass
 In the grass
 In your arms
