So High

Rebelution

Yeah, yeah, yeah
Who's got the herb when I'm dry?
I wanna get so high, yea
Who's got the herb when I'm dry?
Yeah, yeah, yeah

Who's got the herb when I'm dry?
I wanna get so high, yea
Who's got the herb when I'm dry?

Who's got everything I need
I'm a fiend for the green sticky leaves
Man, I'm gettin' so high

Who's got everything I need
I'm a fiend for the green sticky leaves
Yes I'm gettin' so high

Who's got the chronic that I like?
Right between the lows and the highs
Yes I'm feeling alright
I'm feeling so alive

And everything's so right
Everything's so right
You got me feelin' so high

And it puts me in the right state of mind
It puts me in the right state of mind

Who's got the herb when I'm dry?
Who's got the herb when I'm dry?
Who's got the herb when I'm dry?
I wanna get so high, yea
Who's got the herb when I'm dry?

Who's got the herb when I'm dry?
I wanna get so high, yea
Who's got the herb when I'm dry?
