

# On My Way

Axwell Ingrosso

No time to pretend  
Dust off and try again  
Straight out of lions' den  
Strong as a thousand men  
That's what I've been told  
Since I was six years old  
Duck down and count to ten I'm gonna hit the Lotto  
I'm gonna place my bet on every step I take  
Go tell everyone under the sun  
I'm on my way And if I hit rock bottom  
I'm gonna smile and dance with every step I take  
Go tell everyone under the sun  
I'm on my way  
On my way!  
I'm on my way  
On my way! I'm on my way  
On my way!  
On, on, on my way  
On, on, on my way  
On, on, on my way  
I'm on my way  
On my way! Go throw the key away  
No matter what they say  
All for a better day  
You will always be the same  
That's what I've been told  
Since I was six years old  
Duck down and count to ten I'm gonna hit the Lotto  
I'm gonna place my bet on every step I take  
Go tell everyone under the sun  
I'm on my way And if I hit rock bottom  
I'm gonna smile and dance with every step I take  
Go tell everyone under the sun  
I'm on my way  
On my way! On, on, on my way  
On, on, on my way  
On, on, on my way  
On, on, on my way  
On, on, on my way

I'm on my way  
On my way!  
I'm on my way  
On my way!  
On, on, on my way  
On, on, on my way  
On, on, on my way  
I'm on my way  
On my way!  
On, on, on my way  
On, on, on my way  
On, on, on my way  
On, on, on my way
