Masters of the World

Sabaton

We're a small crowd left to rotten, there's not many hard souls left
As the pop is growing stronger, will metal fade awayWill we be broken, will we go down?No! We'll never fall weï¿½re the masters of the world
Get up let's break those chains now and party all night long
No! We'll never fall we're the masters of the world
Get up let's break those chains now and party all night longAs I'm tweaking with my radio, there's disco everywhere
When I turn on my big TV, is hip hop what I want to see?
