

# Masters of the World

## Sabaton

We're a small crowd left to rotten, there's not many hard souls left  
As the pop is growing stronger, will metal fade away Will we be broken, will we go down? No! We'll never fall  
we're the masters of the world  
Get up let's break those chains now and party all night long  
No! We'll never fall we're the masters of the world  
Get up let's break those chains now and party all night long As I'm tweaking with my radio, there's disco  
everywhere  
When I turn on my big TV, is hip hop what I want to see?
