[AronChupa](#)

Madames et Monsieurs
S'il vous plaÃ®t
Soyez prÃ®t pour AronChupa et Albatraoz
C'est parti! Let me tell you all a story
About a mouse, name Dilory
Dilory was a mouse in a big brown house
She call herself a hoe
With the money money blow
But fuck that little mouse 'couse I'm an albatraoz I'm an albatraoz
I'm an albatraoz Dilory said she was a mouse
Smoked the cheese and light it out
Moneyli money money hoe
Katching katching katching kablou
Dilory was a witch, yeah a sneaky little bitch
So fuck that little mouse 'couse I'm an albatrouz I'm an albatraoz
I'm, I'm, I'm Madames et Monsieurs
S'il vous plaÃ®t
Soyez prÃ®t pour AronChupa et Albatraoz
C'est parti! I got it! I'm an albatraoz I'm, I'm, I'm
Stop I got it
I'm an albatraoz
This is albatraoz
