

Not Anyone (Chicco Secci's Miami By Night Mix)

Black Box

You are not anyone
Don't sadden my life You got to leave on Sunday night
It seems I'll feel all alone
You know the tears are in my eyes
I need some time to let 'em dry I can't keep insisting 'cause I'm going too far
I feel sad and that is just for you
I would keep insisting on these lonely nights
'Cause I just can't get rid of you You are just not anyone, anyone
I just want to keep in touch
Don't sadden my life
You are just not anyone, anyone
I don't want to lose your touch
Don't sadden my life I don't know if you're wrong or right
I need somebody to love
You know I'm always on your side
So please don't let it fall apart I can't keep insisting 'cause I'm going too far
I feel sad and that is just for you
I would keep insisting on these lonely nights
'Cause I just can't help but thinking of you You are just not anyone, anyone
I just want to keep in touch
Don't sadden my life
I want to be the one, be the one
I don't want to lose your touch
Don't sadden my life
