Moment In a Shadow

Jimmy Webb

All my life was full of dreaming
all my dreams were new
and then when I lost you
I feltlike dying babe
then my hope was quickly fading
that sad unlucky day
and when you went away
I just stop tryingit was just a shadow
just a moment
just an afternoon of tears
just a heartache
just a raindrop
just a moment
in shadow that lasted years
I was drowning
I was falling
I was turning to a stone
I lived and died again
and then I saw you
