

# Moment In a Shadow

**Jimmy Webb**

All my life was full of dreaming  
    all my dreams were new  
    and then when I lost you  
        I feltlike dying babe  
    then my hope was quickly fading  
        that sad unlucky day  
        and when you went away  
I just stop tryingit was just a shadow  
    just a moment  
    just an afternoon of tears  
        just a heartache  
        just a raindrop  
        just a moment  
    in shadow that lasted years  
        I was drowning  
        I was falling  
    I was turning to a stone  
    I lived and died again  
        and then I saw you
