

# Another Night

## Aretha Franklin

All my friends have to ask if I'm shattered  
I say the past is the past and it no longer matters  
I made my mind up, I can make it  
I'll be fine even if I gotta fake it, I'll keep surviving  
Another night, without you  
Another night, I know I can get through  
Another night, it's only  
Another night, I won't be lonely  
Another night, another night  
Another night, it ain't much  
Another night, without your touch  
I used to search through the crowd to find you  
But I don't feel like it now, so don't look behind you  
You better face it, I won't be calling  
I hit my stride when the evening is falling, I'm gonna make it  
Another night, without you  
Another night, I know I can get through  
Another night, it's only  
Another night, I won't be lonely  
Another night, another night  
Another night, it ain't much  
Another night, without your touch  
Out where the music is loud and the people are laughing  
I'm gonna step on out, I won't be down  
Gonna stand my ground for just another night  
Oh yes I am, another night  
You were phasing out my sweet and I need it  
He didn't give a damn how I got through it  
And like you I had someone else too  
Always there to keep me warm, no time for love  
I made my mind up, I can make it  
I'll be fine even if I gotta fake it  
I'll keep surviving, yes I will  
Another night, without you  
Another night, I know that I, I know I can get through  
Another night, it ain't much  
My man, I don't need you to be bringing me down  
Hey, another night, another night  
Another night, another night  
Oh, yes, it is  
Another night  
Oh yes, it is  
Oh yes, so restless is my pain without you here  
Oh I'm gonna make you mine, yes I am  
You know that I ain't, they stand and talking about people  
No no no no
