

Levitate Me

Pixies

Give me help, give me help
You can levitate me
Then take off them rings
Off them hose levitate me Higher place, levitate me Elevator lady, elevator lady
Elevator lady, elevator lady
Lady levitate me If all in all is true, if all in all is true
If all in all is true, if all is true
Won't you please fawn over me?
Won't you please fawn over me?
Won't you please fawn over me?
Won't you please fawn over me? Shaky shake, hey shaky
Levitate me
Come on pilgrim
You know he loves you levitate me Higher place He kicked a baby
Elevator lady, elevator lady, elevator lady
Elevator lady, elevator lady levitate me If all in all is true, if all in all is true
If all in all is true, if all is true
Won't you please run over me?
Won't you please run over me?
Won't you please run over me?
Won't you please run over me?
Won't you please run over me? Me, me, me, me
