

# Last Night in Los Feliz

Niia

I got those green green eyes  
For blue nights  
Mmm  
All of the sounds that move and rise  
Yeah, I've grown to know  
MmmBut I'm letting it  
Yeah I'm letting it go  
Yeah my mind is on fire, mind is on fire  
As hard as I try, still can't rewind  
I can't and I can't and I can't turn back time  
Yeah and I'm so scared of change before we've made gets washed awayAnd all the ways you touch me  
Under the stars I always try to trace  
What if we never find a better place?  
I don't wanna go  
Just to let you knowYou've got those great great eyes  
For a sunrise  
Mmm  
All of that rain that fell a while  
We could hum to  
MmmBut I'm letting it  
Yeah I'm letting it go  
My mind is on fire, mind is on fire  
As hard as I try, still can't rewind  
I can't and I can't turn back time  
Yeah and I'm so scared of change before we've made gets washed awayAnd all the ways you touch me  
Under the stars I always try to trace  
What if we never find a better place?  
Ooh-ooh-ooh-ooh, your touch  
Under the stars I always trace  
What if we never find a place?  
I don't wanna go, no  
Just to let you know  
I'm already home
