

Trying to Lose Myself Again

Bleached

Trying to lose myself again
Trying to lose myself again
Trying to loseI've been hanging around
This ugly town
Trying to find myself again
Trying to find myself againI've been getting high
every night
Trying to lose myself agin
Trying to lose myself agin
And I don't wanna live my life
The way you think is right
Cuz I know what I want
And I know what I like
Keep on feeling good
Just like I always shouldI've been sleeping around
This hungry town
Trying to find myself again
Trying to find myself againI've been fuckin high,
every night
Trying to lose myself again
Trying to lose myself again
And I don't wanna live my life
The way you think is right
Cuz I know what I want
And I know what I like
And it's time I live my life
Without your rules on my mind
Cuz I know just what I want
And I know just what I want
Keep on feeling good
Just like I always should...
