Tennessee Christmas

Steve Wariner (Holiday)

Come on weather man give us a forecast snowy white
Can't you hear the prayers of every childlike heart tonight
Rockies are callin', Denver snow fallin'
Somebody said it's four feet deep, but it doesn't matter
Give me the laughter, I'm gonna choose to keepAnother tender Tennessee Christmas, the only Christmas for me
Where the love circles around us like the gifts around our tree
Well, I know there's more snow up in Colorado than my roof will ever see
But a tender Tennessee Christmas is the only Christmas for meEvery now and then I get a wanderin' urge to see
Maybe California, maybe Tinsel Town's for me
There's a parade there, we'd have it made there
Bring home a tan for New Year's Eve
Sure sounds exciting, awfully inviting, still I think I'm gonna keepAnother tender Tennessee Christmas, the only Christmas for me
Where the love circles around us like the gifts around our tree
Well, they say in L.A. it's a warm holiday, it's the only place to be
A tender Tennessee Christmas is the only Christmas for meWell, I know there's more snow up in Colorado than my roof will ever see
But a tender Tennessee Christmas is the only Christmas for me
A tender Tennessee Christmas is the only Christmas for me
